STORY

EARLY BABY

Indy is having an early baby at the baby hospital. And there's a sausage dragon on the loose!

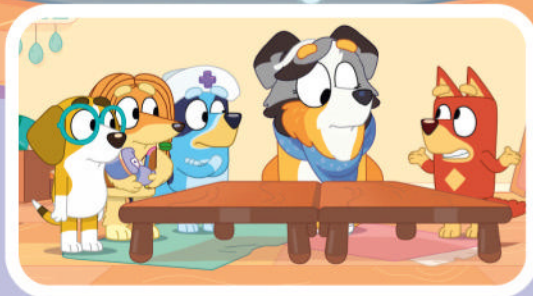
1

One day at school... "You ruined our game, Rusty," says Bluey. "You ruined **my** game!" yells Rusty. "You can't play with us," says Indy.

"OK, OK, calm down children," says Calypso. "Let's get to the bottom of this." She asks Rusty to tell his side of the story. "OK, Calypso..."

2

"I was walking along to cosy corner..."



"...and they all went crazy! They just started yelling at me," shrugs Rusty. "Oh, that's odd," says Calypso, "Bluey, what's your side of the story?"

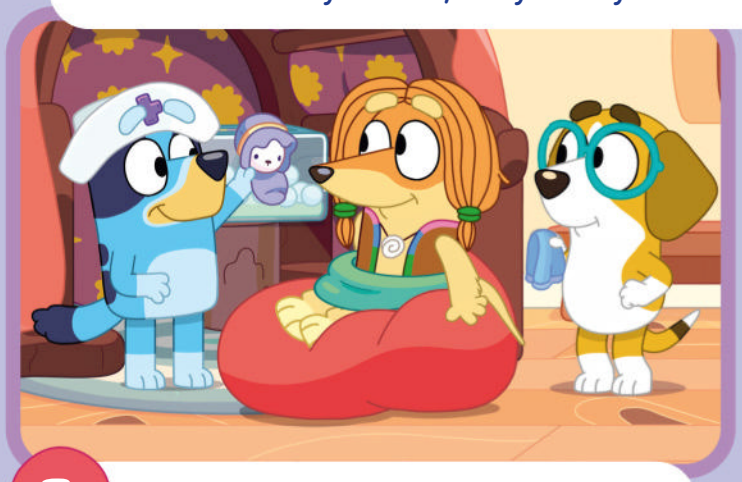
3

"Well... we were playing doctors in a baby hospital. We were delivering everyone's babies for them," says Bluey. "Indy wanted to play Early Baby, like her sister in real life," explains Bluey.

4

"Pop! It's a girl!" announces Bluey. "I'm calling her Polly," says Indy. Because Polly's an early baby, she needs to stay in the hospital for a long time 'cos she's still very small," says Indy.

Indy tells them that her baby also needs to go in a special bed (like a fish tank with holes in it) and she needs a special light.



5

"Now what, Indy?" asks Bluey. "Mums aren't allowed to stay at night, so you need to tell me to go home to sleep," says Indy.

"OK, **I'll be the bravest I've ever been.** Goodnight, Polly," says Indy.

"It's OK, Indy. We'll take good care of her," says Bluey, as Indy rests.

6

That's when Rusty shows up...

...HOLDING BABY POLLY!

"Ohhhhhh, I see," says Rusty, understanding why they yelled at him. "I'm sorry, Indy. I didn't know Polly was your early baby."

"You just have to follow the rules of their game," says Calypso. "Before you all go, Rusty, why were you looking for crutches?" she asks.

7

"OH! WELL..." BEGINS RUSTY...

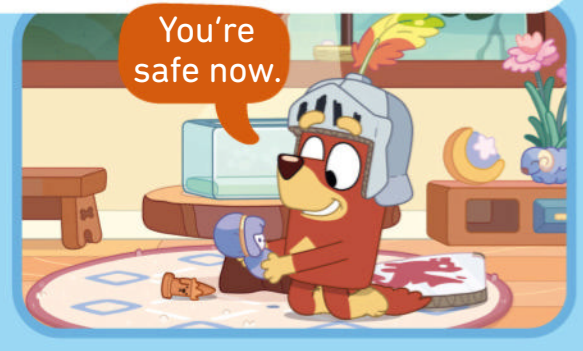
"Coco and I were building a castle when a huge dragon came. Every day he would come to take one villager to eat," sighs Rusty.

This time the dragon took the **King's only daughter!** "But the King and his daughter were very brave," says Rusty.

8 "I will bring your daughter back, Your Majesty. I'm a knight!" says Rusty, grabbing a sword and shield. "Aren't you scared?"asks the King.

Yes, your majesty. But I will be the bravest I've ever been.

9 **That's when Rusty spots Polly!** "Hey! Use this instead! It looks more like a daughter," Rusty whispers to Snickers. So Snickers runs off with POLLY! "The knight fought the sausage dragon with all his might. The brave knight won, and he rescued the King's daughter," Rusty tells them.



10 "But the brave knight was hurt very bad. He needed to go to a hostible!" says Rusty...

"OHHHHHHH!" Now Bluey, Indy and Honey realise why Rusty came to their hospital! "Good boy, Rusty," smiles Calypso.

Bluey and Honey run off to play knights and dragons while...

EXPLORERS

Jack's dad and sister Lulu are picking him up from school, but uh-oh, the phone's run out of battery... and they've got no satnav!

Trace a trail to help them find the way to Jack's school.

START

Hola! Drive past the strawberry field.

MEANWHILE AT SCHOOL...

Captain Jack and his crew are sailing from Antarctica to Australia*.

*Not for real life, they're playing a game!

Follow the voyage through the sea and doodle the things they might see along the way.

Listen up, sailors. This will be a looong and dangerous journey.

Watch out for coral reefs!

START

I don't know the way to Jack's school. I usually just put on satnav and zone out!

Oh dear.

...and take a shortcut through the dirt path maze.

Ask for directions at the servo...

MADE IT!

Woah! Was that a giant octopus?

MADE IT!

Uh-oh. Food supplies are running low.

Baby Race!

How to play

1 Grab a dice and 3 friends (but you can also play on your own or with fewer friends, just take a few babies each!). Put your painted babies at the start.

START

Bluey

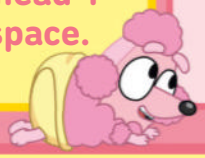
You're rolling! **Roll ahead 1 space.**

You're a bum shuffler! **Shuffle ahead 2 spaces.** Go Bluey!

Coco

Distracted by the rattle. **Miss a go.**

Spot your mum. **Crawl ahead 1 space.**



Judo

You're sitting (but that means you're not moving!). **Miss a go.**

Now you're crawling! **Crawl forward 2 spaces.**

Snickers

Watch out for the baby toy. **Crawl around it to the next space.**

Peweee! Stop for a nappy change. **Miss a go.**

PAINT your babies! Which baby will you be?

2 Take turns to roll the dice and move along your path the number that you roll. The first baby to reach their mum wins. (But they're all doing great!) **Keep playing until all the babies have reached their mums.**

Stop to cuddle Polly Puppy. **Miss a go.**

You're crawling... BACKWARDS! **Back to the start!**

Phew! Nappy changed! **Move ahead 2 spaces.**

Uh-oh, you've lost your dummy. **Back to the start.**

WOW! Take your first steps! **Step ahead 1 space.**

Gah! Stop to sort the shapes. **Back to the start.**

Time for your bottle. **Crawl forward 1 space.**

Nooooo, you fall asleep right at the end. **Back to the start.**

BLUEY'S SCHOOL

What's going on at Bluey's school?
Add your stickies and tell the story.

Make your own barky boats... for real life.

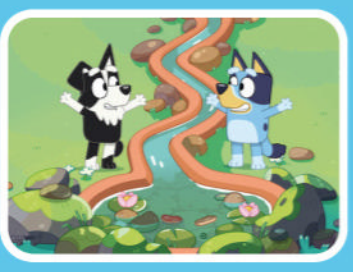
Make sure you grab an adult to help you stay safe near the water.

1 Find a piece of bark (or small stick), a leaf and a thin stick.

2 Push the small stick mast through the leaf to make a sail, like this.

3 Use a blob of sticky tack to stick your mast and sail to the bark.

4 Race your barky boats in a big tub of water, a puddle, or even at the creek (with a grown-up!).



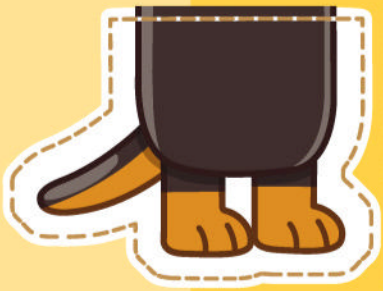
SNICKERS

He loves being a sausage dog!

Try these Snickers crafts...

PAPER CHAIN SNICKERS

Snip out the paper chain strips, loop them together and stick shut to make a chain of 7 loops. Stick the head and little sausage dog legs to opposite ends of the chain!

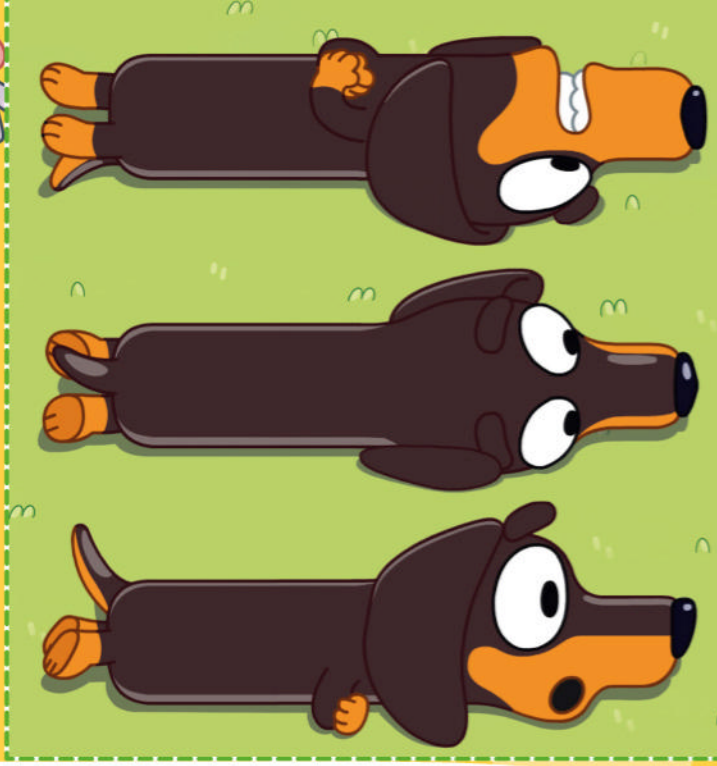


Read before you snip & ask your grown-up to help with the cutting.

Sausage, ROLL!

Make a rolling Snickers.

Snickers only has little legs which makes running tricky, but he's really good at rolling! Simply snip out the rolling Snickers piccie and wrap it around a cardboard tube. Tape to secure it. Then put Snickers on a slope... and watch him rollllllllll!



Which roll-y path leads Snickers to Bluey and Winton?

say cheese!

It's class photo day! Finish the photos with your stickers.

Make the... MOTHERS' GROUP

YOU WILL NEED:

- cereal box
- cardboard rolls
- paints & tape
- extra cardboard
- your painted babies
- a grown-up to help

1 Grab your box and snip around 3 sides so you can fold the front down to make the floor. Get painting! Try brown for the floor and pastel colours for the walls. Cute!

2 Wanna give the babies some fun stuff? Make a tube for them to crawl through! Just roll up a piece of card into a tube and paint it.

3 And how about a cosy rug made from an oval piece of cardboard painted in soft colours? Snip out the toys from the opposite page and add them too!

4 Now you can add the mums and babies! Cut out the mums and tape them to cardboard rolls, then pop your painted babies in – look, Judo's walking already!

Hang these cute paintings along the top of your box!

You could create some extra piccies and hang them up too!

Make & photography by Lisa White.

Read before you snip & ask your grown-up to help with the cutting.
